IQRA IKRAM

Web Developer

About Me

I am a passionate Web Developer with a keen interest in modern technologies and a strong drive to create innovative digital experiences. Currently, I am working as a Leader at GIAIC, where I collaborate with a talented team to build cutting-edge solutions and foster a creative, growth-driven environment. My journey as a developer has led me to explore various technologies, including React, Next.js, and TypeScript, as I strive to stay ahead .
